

WATER'S EDGE or OAKBROOK - 62 & Over Senior Living

CRITERIA FOR INDEPENDENT LIVING

(All applicants must read & sign off agreeing to terms)

1. Breakfast and supper are the responsibility of the resident, hired helper or family member. Must be able to prepare own meals or use meals on wheels.
2. Must be able to monitor own medications, routine health and personal care or hired helper to do this.
3. Must not require 24-hour care and all minimal assistance must be set up by the resident or family.
4. Must be able to manage bladder and bowel in a manner that keeps the apartment clean and odor free and bathe regularly to maintain good body hygiene.
5. Must be able to do own laundry or family member or hired helper may be doing it.
6. Because of the nature of appliances, residents must be able to safely operate them.
7. Residents need to be able to understand and respond to communication well, no wandering off, being disruptive or disturbing other tenants.
8. Residents are expected to keep their apartment in a clean, orderly manner: Free of odor and debris, dishes washed, waste baskets emptied weekly or more, dusted and vacuumed monthly.
9. Report any maintenance and report needs to the staff.
10. No nails or tacks are to be put in any wood in the apartment. Small nails and tacks can be used on the plaster walls, anything larger will be charged for patching the hole.
